Due to an expansion of its practice, **URBIS** is urgently looking to recruit appropriately qualified candidates to fill the following posts:

URBIS Limited is Hong Kong's longest established specialist planning and urban design consultancy with a wide portfolio of current planning work from territory-wide policy studies, development studies for New Development Areas, site masterplanning, urban design and statutory planning applications. Our clients around the world include international institutions, national and regional Governments and major developers. Over our 47-year history, URBIS has won more than 200 local and international design awards including the 2017 RTPI International Award for Planning Excellence for the plan for Hung Shu Kiu New Development Area.

TOWN PLANNER

We are looking for a motivated, talented and committed Town Planner to join our multidisciplinary team of town planners, urban designers, landscape architects and arborists to work on a variety of exciting projects in Hong Kong and the region.

Successful candidates should:

- ◆ Be a recent graduate in town planning from a course recognised by either the HKIP or RTPI;
- ◆ Possess excellent analytical, written and presentation skills;
- ◆ Possess excellent communication abilities and team-player attributes; and
- ◆ Be competent in the use of all major design and presentation software packages.

Some internship or other relevant experience in the field of planning would be helpful. Other complementary skills such as GIS, urban design, etc. would also be an advantage.

We offer competitive remuneration commensurate with candidate's experience and qualifications. Please submit your CV, portfolio (optional) and expected salary by E-mail: HR@urbis.com.hk and attention to the **HR Department, URBIS Limited**, 11/F Siu On Centre, 188 Lockhart Road, Wan Chai, Hong Kong.

Data collected will be used for recruitment purposes only.
